School Supply Info

- ☐ Please note that the supply list may vary throughout the year, as your student might utilize or abuse their supplies.
- ☐ Some supplies are designated for classroom use, such as construction paper, and are indicated by an asterisk.
- ☐ Each student's Bible is a **personal** choice. It should be one that they comprehend and are eager to read and reflect on during their daily personal Bible time. We will provide King James Bibles for them to utilize for their PACE work.

If you have any questions please contact us via Classroom DOJO messaging or e-mail. We can't wait to see you all soon!
